Premium Boxes

N E S T E K S

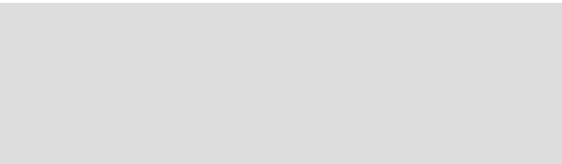

In Order to present your product in the best possible way and valid outcome, everything starts with a selected packaging. The packaging is the first things that the endconsumer sees before the inner content of the product.

The choice of packaging is one of the biggest priority and we provide only the best for our customers.

Different kind of boxes like pull-out box, magnet box or hinged box are possible.

We advice and assist you by selection and design the boxes together with our graphic Team and offer you based on different materials like paper, leather or tin in different size, color, printing material and branding, pre-sketch Designs and according your selection we prepare the final items.

Just get in contact with us and we implement your ideas in high quality products.

In box production, the type of paper used and its weight vary according to the characteristics of the product put into it. Size, number of colors, lamination type are variable and are prepared according to customer demands.

- Ability to print up to 10 colors
- Maintaining cardboard stocks according to customer requests.
- As an FSC® certified printing house, we take this responsibility in all our production processes.
- Heidelberg Prinect Image Control System
- Giving model and graphic services by the graphic department.
- Mask, stretch, electrical appliances, automotive spare parts, baby supplies, cardboard labels, hookah and tobacco, cigarette filters, cigarette pack cases, textile boxes, cosmetic boxes, and many more areas.

Premium Bags

NEST EKS

With offset printed bags, your brand will be further highlighted.

Due to the higher grammage of the bags, they are also more robust and stable.

Flexible printing and die-cut options give these bags another highly exclusive touch.

Variable cord qualities give these bags a new design.

Desired size and design is another advantage for these bags.

Huge selection of different Paper qualities.

Paper Bags

Twist handle bag

NEST EKS

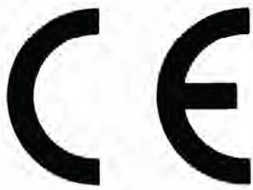

Environmentally friendly paper bags, produced with a wide range of paper and color options, are among the most preferred bag types by companies with their affordable prices and stylish designs.

Paper bags deliver the brand's logo and contact information to the masses with its printing options. Affordable paper bags are preferred by world famous brands, especially retail and food companies. It is a modern packaging method with stylish designs and easy use.
